<a href="https://breathelife2030.org/">https://breathelife2030.org/</a>	Breathe Life is an ambitious campaign by the World Health Organisation, UN Environment and the Climate and Clean Air Coalition to dramatically reduce the 7 million deaths annually from air pollution by 2030 and slow the pace of climate change
<a href="https://airqualitynews.com/category/news/">https://airqualitynews.com/category/news/</a>	Very good web site with regular updates on topical issues
<a href="https://www.terracycle.com/en-GB/">https://www.terracycle.com/en-GB/</a>	TerraCycle is Eliminating the Idea of Waste® by recycling the "non-recyclable." Whether it's coffee capsules from your home, pens from a school, or plastic gloves from a manufacturing facility, TerraCycle can collect and recycle almost any form of waste. We partner with individual collectors such as yourself, as well as major consumer product companies, retailers, manufacturers, municipalities, and small businesses across 20 different countries. With your help, we are able to divert millions of pounds of waste from landfills and incinerators each month.
