Anti-Social Behaviour

Concerns have been raised on Facebook and other social media recently about an increase in anti-social behaviour.

We advise anyone having witnessed or been a victim of ASB to report this directly to the police: <https://www.hampshire.police.uk/ro/report/ocr/af/how-to-report-a-crime/> or telephone 101. Reporting incidents directly to the police allows them to build up a picture of what is happening so that they can focus their patrols and actions.

Tadley Town Council have contacted the Police and Crime Commissioner for Hampshire and asked if he or the Chief Constable for Hampshire are able to attend an online public meeting to listen to Tadley residents' concerns.

Police Stations and the Police are funded by the Police and Crime Commissioner for Hampshire, you can contact them direct: <https://www.hampshire-pcc.gov.uk/contact-us> or <https://m.facebook.com/MichaelLanePCC> or <https://twitter.com/HantsPCC>
