

Tadley & District Youth Action Council

The youth councillors completed their third litter picking session on Tadley Common on Sunday 19th April collecting another 15 bags of rubbish. This time they were joined by some adult volunteers. The next session will be held on Wigmore Heath at 11.30 on Sunday 17th May. Everyone is welcome so if you would like to join them, please let Ann know so that you can be added to the contact list.

The major project for the Youth Council this year is the painting of a mural on the wall outside the rear entrance of Starbucks. We will be working with two professional artists and hope to complete the art work in August. Everyone will be welcome to take up a paintbrush and contribute. At the moment we are gathering information and looking for sponsors. The mural will be a timeline recording important points in the history of the town through to what we see here today. We would love to hear from you with ideas about what you feel should be included. We also need someone to render the wall prior to painting the mural. Materials would be provided but we would be very grateful if someone with the relevant skills could volunteer their time. Once completed, a plaque acknowledging the support of local businesses would be placed beside the mural so if you are able to sponsor the project, we would also love to hear from you.

We are still looking for more young people to become councillors as well as some adult volunteers to support the Youth Action Council's work. So, if you think this might be something you would enjoy, please get in contact with Ann for a chat or check out our Constitution on the Tadley Town Council website which sets out our aims and organisation:
